Fold and paste  
both sides together

Fold and paste  
both sides together

MERRY  
CHRISTMAS

AND A HAPPY NEW YEAR!

**Directions:** Using the crop marks trim the postcard to A6 size. Once trimmed fold the card along the fold lines and paste the two sides together. Use a heavy paper stock to ensure your postcard isn't bent in the post! Card design is © Alison Owen Design 2011 and to be used for non-commercial purposes only. Enjoy!
